Attention: Mr. Bryan French

Dear Mr. French:

The National Search and Rescue Secretariat (NSS) has reviewed the documentation that you provided as well as the approval certificate issued by COSPAS-SARSAT and have decided that the ACR PLB 350C model satisfies the requirements of COSPAS-SARSAT and the Performance Standard for 406 MHz PLBs. Therefore, this model can be considered as meeting the requirements of the NSS.

Yours sincerely,

Michael Donald  
Senior Analyst

Attention: Mr Nicolas Desmarais

Dear Mr. Desmarais:

Mr Bryan French of ACR Electronics Inc is seeking Canadian type approval of their PLB 350C personal locator beacon (PLB) under RSS-287.

The National Search and Rescue Secretariat (NSS) has reviewed the approval certificate issued by COSPAS-SARSAT and have decided that this model satisfies the requirements of COSPAS-SARSAT and the Performance Standard for 406 MHz PLBs. Therefore, this PLB model can be considered as meeting the requirements of the NSS.

Yours sincerely,

Michael Donald  
Senior Analyst NSS
