SPECIFICATIONS HOT SHOT SIGNAL MIRROR

THE SCIENCE OF SURVIVAL

ACR Signaling Products

Hot Shot™ Signal Mirror

A quality mirror is the ultimate fail-proof daytime signaling device — no emergency kit should be without one. The Hot Shot™ takes emergency signaling to the next level with its holographic “red-dot” viewing window that quickly finds the optimum sighting “spot” for a bright, focused signal. The attached USCG compliant whistle provides a powerful audible backup.

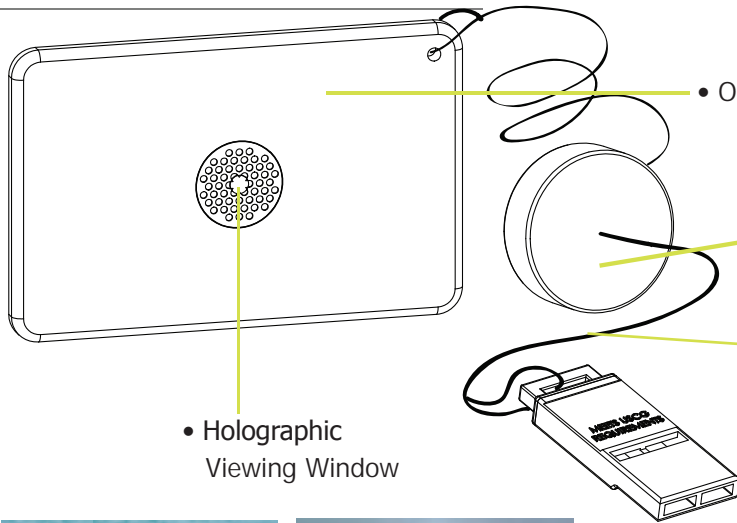

WW-3 Survival Res-Q™ Whistle

- Developed for the U.S. Navy; used by NASA
- Meets USCG/SOLAS requirements
- “Pea-less” dual tone design, extremely loud, 102 dBm
- Loudest sustainable-blast whistle available
- Value pack contains two whistles & lanyards
